GÜRAL

Porselen

Zamanın ötesine geçen bir zarafet...

Gelenekle modernizmi buluşturan el işçiliği ve inovasyon... Güral Porselen, nesiller boyu süregelen porselen sanatıyla sofralara adeta bir tuval gibi dokunuyor.

Her bir parçayı büyük bir özenle şekillendiriyor, porseleni işleyerek estetikle buluşturuyoruz.

Doğanın mükemmel uyumundan ilham alarak, her tabak, her fincan ve her kaseyi sanatın ince çizgileriyle harmanlıyoruz. Yüzyıllık gelenekten beslenen ustalığımız, çağdaş tasarım anlayışımızla bir araya geliyor ve her bir koleksiyon, sofralara birer sanat eseri olarak sunuluyor.

Şefkatle dokunulan kilin ateşle dansı, mutfaklara ve sofralara hayat verirken, Güral Porselen zarafetin, işlevselliğin ve kalitenin temsilcisi olarak, her yemeği bir ritüele dönüştürür. Biz, sadece porselen üretmiyoruz; biz, sofralarda paylaşılan anılara, kutlanan başarıya ve birlikte geçirilen en özel anlara eşlik eden sanatı yaratıyoruz.

Her Sofrada Sanat, Her Parçada Bir Hikâye.

ADDING VALUE TO THE FUTURE: Sustainability at Güral Porselen

With its extensive production capacity and advanced technology, Güral Porselen is a leading brand in the industry, proudly representing Turkey both locally and globally with eco-friendly, healthy, and aesthetically superior products. By implementing heat recovery systems in its production facilities, the company contributes to energy savings and steadfastly supports the goal of a sustainable world. In this process, Güral Porselen not only adopts an environmentally conscious production approach but also continues to merge art and nature, reaffirming its commitment to preserving nature and creating aesthetically refined products.

Güral Porselen's sustainability vision is not only focused on minimizing environmental impacts but also on preserving the artistic and cultural heritage we will leave for future generations. The export championship awards we received in 2019, 2020, 2021, and 2023 shine through in our products as a testament to both our technical excellence and artistic achievements.

As Güral Porselen, by implementing measures such as the efficient use of natural resources, waste management, and reducing carbon footprints, we not only offer stylish and durable products but also aim to leave a more livable world for future generations. Our products, with their long-lasting and healthy structures, support sustainable lifestyles while offering quality that does not compromise on aesthetics.

With our approach that merges art and nature, as Güral Porselen, we add value to both your tables and the world.

A LEGACY FOR TOMORROW!

At Güral Porselen, we see each of our products not only as something for today but also as a legacy to be passed on to future generations. Sustainability is embedded in our company's DNA, which is why we work with determination to protect natural resources. While producing our durable and eco-friendly porcelain items, we feel our respect for nature at every stage.

Recycled Water Usage

We recycle 80% of the water used in our production processes. In this way, we both protect nature and use our resources efficiently. Every drop of water is a step towards tomorrow.

Long-Lasting Products, Zero Waste Target

With next-generation technologies and single firing processes, we save energy and enhance the durability of our products. By recycling 87% of our production waste, we are steadily moving towards our zero waste goal.

We Meet Our Energy Needs from Nature

By supporting 50% of our production facilities with renewable energy sources, we minimize our carbon footprint. In this way, we do our part for a cleaner environment.

We Leave a Clean Mark on the Future

By continuously measuring our carbon footprint, we meticulously plan for a more sustainable future. We are working with determination to achieve our net zero target.

We continuously measure our carbon footprint and carefully plan every step for a more sustainable future. We are making steady progress towards our Net Zero target.

Dear Customers,

As the Gral Porselen family, we take pride in offering you the highest quality porcelain products with over 30 years of experience. With the innovative designs and high-quality manufacturing processes we've developed over the years, we aim to add both aesthetics and functionality to your homes.

In this catalog, you will discover our extensive porcelain collections that will bring elegance and sophistication to your tables, making your everyday life more enjoyable. Each product is carefully designed to add value to your living spaces.

To meet our customers' expectations at the highest level, we continue to produce the best and lead innovations in the industry. We hope that every moment spent with us at your table becomes an unforgettable experience.

More Beautiful with Gral...

At Gral Porselen, we blend the thousands of years of tradition and craftsmanship from Anatolia with modern technology. Thanks to this approach, we have established a strong position not only in Turkey but also among the world's leading brands since our inception. Instead of following trends, we prefer to create them. For this reason, we export our products, which are admired not only by those who choose us but also by the entire industry, to 60 different countries.

Why Gral Porselen?

Mastery From Tradition:

We combine the rich tradition and craftsmanship of Anatolia with modern technology to offer unique designs. With our years of experience, each of our products is backed by deep knowledge and skill.

Quality and Durability:

Our products are produced to the highest quality standards. Our long-lasting and durable porcelains retain their aesthetic appeal even with everyday use.

Innovative Designs:

We aim to create trends rather than follow them. With our original designs, we add elegance and sophistication to your living spaces.

Wide Product Range:

We have a wide range of products, including dinner sets, breakfast sets, tea and coffee cups. With products that suit every need and taste, we help you create tables in various styles.

International Reputation:

By exporting our products to over 60 countries, we take pride in being a globally recognized brand, not only in Turkey but worldwide.

Customer Satisfaction:

With our customer-oriented approach, we aim to meet the expectations of our valued customers at the highest level. We are always striving to provide the best service.

"AS GRAL PORSELEN, WE ARE NOT JUST A PORCELAIN BRAND; WE ARE A BRAND DEDICATED TO ADDING VALUE TO YOUR LIFE. WE LOOK FORWARD TO INTRODUCING OUR PRODUCTS THAT WILL ENHANCE THE BEAUTY OF YOUR TABLES AND LIVING SPACES."

SIDE

KAHVE KENAR

Side dekoru, doğal ton geçişleri ve ince benekli yüzeyiyle sunumlara sıcak bir denge ve zamansız bir karakter kazandırır.

Side decoration, with its natural tonal transitions and fine speckled surface, brings warmth and timeless character to presentations.
